

Take the... *streetSkills*TM Challenge!

Respond to the following statements using a 3-point scale. Check the box that best represents you. Be honest with yourself; no one else is going to see the results. When totaling up your score, add 3 points for every *Frequently*, 2 points for every *Occasionally*, and 1 point for every *Rarely*.

	Frequently (3)	Occasionally (2)	Rarely (1)
1. You directly reflect on your riding skill.			
2. You participate in professional motorcycle training.			
3. You consider the risks and consequences of your riding actions.			
4. You have high concentration while riding.			
5. You ride completely drug and alcohol free. (Do drink and ride = Rarely 1)			
6. You wear motorcycle-specific gear head to toe.			
7. You check the condition of your tires and lights.			

8. You are physically comfortable when you ride.			
9. You ease out the clutch slowly and smoothly.			
10. You use the Engine Cut-off switch when starting/shutting down motor.			
11. You maximize your 360° space cushion and following distance.			
12. You use both brakes to slow/stop.			
13. You feel totally in control and comfortable doing low speed u-turns.			
14. You feel 100% in control while cornering.			
15. You routinely predict traffic and environment hazards.			
16. You increase your awareness and caution level at intersections.			
17. You go, shift, turn and stop ultra-smoothly.			
18. You practice emergency maneuvers.			
19. You ride with passenger.			
20. You ride in groups.			

<i>streetSkill</i> SCORE TALLY			
--------------------------------	--	--	--

Your *streetSkill* Score:

Highly <i>streetSkilled</i>	53-60
Moderately <i>streetSkilled</i>	36-52
Poorly <i>streetSkilled</i>	20-35

Your Results: Lower numbers indicate potential room for improvement. Look back at the statements that you chose *Occasionally* or *Rarely*. Understanding why you chose *Occasionally* or *Rarely* is important as you ride into the future. Be open-minded to what you have learned about your riding. It's definitely more difficult to form new habits than keep old ones. You may find skill-building worth the effort.

Here comes the "Challenge" part. Motorcycling *streetSkills*TM Cards will provide you with the focus to improve as a rider. This could lead to increased safety and enjoyment for you. Use *streetSkills*TM cards for a few weeks and re-take the *streetSkills*TM Challenge. Compare the results.

Motorcycling *streetSkills*TM Cards are available in hard copy and digital formats at www.streetSkills.net.
